**AGENDA BILL 08-10-07**

**Subject:** Intergovernmental Agreement (IGA) with the Oregon Department of Transportation (ODOT) regarding the installation of a traffic signal at 10th Street/8th Avenue

**For Council:** October 13, 2008

**Land Use Case Number:**

**Public Hearing:** No

**City Manager's Initials:** \_\_\_\_\_

**Attachments:**

Jordan memorandum

Proposed IGA

**Initiated by:**

City staff and ODOT to facilitate the installation of a traffic signal in accordance with the conditions of approval for the Willamette Marketplace

**Budget Impact:**

None.

**Policy Questions for Council Consideration:**

Should the City approve the IGA and be required to comply with the conditions established by ODOT, including releasing jurisdiction of the 10th Street corridor to ODOT?

**Summary:**

Approval of the IGA will allow the installation of the traffic signal at 10th St/8th Ave. by the developer of the Willamette Marketplace.

The IGA, among other things, would also require the City to release jurisdiction of the 10th Street corridor to ODOT.

**Recommended Action:**

Staff recommends the Council not approve the attached IGA. Staff would then communicate this back to ODOT and request that we re-open negotiations with that department.
